Revised Preliminary Proxy Statement on Schedule 14A Filed June 23, 2021

Selected Historical Financial Information - Tuscan, page 32

1. We note your response to prior comment 1; however, the amounts presented for Common stock subject to possible redemption do not correspond to the amounts presented in the historical financial statements and should be revised.

[REDACTED]

Unaudited Pro Forma Condensed Combined Financial Statements, page 134

2. We note your response to prior comment 4; however, although the pro forma balance sheet reflects transaction costs of \$21.1 million as an adjustment to retained earnings, as disclosed in adjustment (G) of note 3, these transaction costs have not been reflected as non-recurring expenses in the pro forma statement of operations for the year ended December 31, 2020 even though that statement is presented as if the transaction occurred on January 1, 2020. Please revise the pro forma statement of operations for the year ended
